

St Joseph's Pupil Post

St Josephs Catholic Primary School– Autumn Edition

WHAT WE ARE GOING TO TELL YOU ABOUT:

- Autumn fayre
- Parents evening
- Netball
- Football
- Multi sports
- All Saints day
- Assemblies
- Some lessons that are very special
- Destroy climate change.

Special days and more

The autumn Fayre!!!

At the autumn fayre every child in year six had their very own stand for example on the ice cream stall there was Corey, Alicia, Rose (me) and Jaiden.

Everyone in year six was very excited to be serving people things of their own. They were also excited to show the parents what they would be like serving people.

At 3.30pm they were all waiting at their stands except for 7 people who were mostly focusing on who was behind the reception door and who they thought would come to their stand first. At the start a couple stands were not used until the end of the fayre, mainly ice cream because people didn't want it at the start they would rather get it everywhere in their cars!

Parents evening:)

As you probably already know parents evening is one of the most important days of the year, mainly because the parents want to know what their kids are like in school especially if they are bad at home!

To be honest if you were a parent you would want to know what they are up to at school mainly because they normally don't tell you.

This parents evening wasn't like any other because a couple of people were coming to take photos of people who they thought would like to be on the news paper. This parents evening involved a parent called Jenny who has two kids; one is the head boy in year six. She helped with the raffle, looked after her children and looked after Rose's brother while she was taking pictures and the parents were with the teachers.

Best parents evening ever!!!

Shugborough

Grace R: her favourite part of Shugborough was when we all gathered up and sang together. The main singer was Mr Little who led most of the I say, you say.

Year 6 did both indoor and outdoor rock climbing. Rose won when Year 6 played a game called shark attack. This is when Mr Green says shark attack you run and jump onto the climbing wall as fast as possible without him catching you. Also you can't be the last to get on the wall or you are out too. The dorms at Shugborough were incredible. The children got to choose to sleep on the top or the bottom bunk. At night Rose fell asleep in the middle of the story on the floor and the teacher had to pick her up and put her into bed! In the morning everyone found it amusing.

Climate change (fire works).

You all probably already know about the horrible climate change, well here we are again showing the same (but different) problem. It's about fire works!

We know you all love how the fireworks light up the sky making your eyes twinkle as they explode, however, these can be very scary for animals. So, please think about them before you let off any fireworks.

Just one example of when fireworks can go wrong:- At Alton Towers in November at their fire work display, a stray fire work shot in the opposite direction to where it should have been. It hit a range of rides way, including the Smiler, Oblivion and Spin Ball Whizzer, creating a fire that spread further.

In order to keep everyone safe everyone was evacuated to the car park areas. They had to wait for a long time as they were waiting for the fire truck to arrive.

Any don't forget fire works cause all sorts of air pollution too!

All Saints Day

All Saints Day is a Holy Day of Obligation and this year it was during half term. When we came to school some classes coloured in some beautiful art work.

Celebrate the Saints Dance

McBELLIE
CHAPTER 7
GRADE 6

Let's face our partners.

Let's take a bow.

Let's link arms together.

Let's dosey-do now.

Let's dosey-do again.

Let's separate.

Let's wave our arms to celebrate.

Let's celebrate the saints.

House Teams

At St Joseph's we have 4 house teams- St Patrick's, St George's, St David's, St Andrew's. Each house team has 2 house captains. The House captains job is to collect all the house points fairly across the school and encourage their team to do their best.

St George's had the most house points last term so they won the own clothes day- well done to them. The count starts again now for the next own clothes day and new house captains will be in place to help us to do our best. Which team will win this time...

Christingle

The Key Stage 2 Christingle service took place on Tuesday 17th December at Our Lady of Lourdes. Fr Jeremy remembered to put the heating on for us— so we were lovely and warm.

Singing a range of Christmas carols was a lovely preparation for Christmas. Isabella in Year 6 said, “My favourite carol was Silent night,”

This year was slightly different to normal as we did not have

our candle light procession, we all started on the altar.

Everyone sang brilliantly— if a little bit quick! Most of the back row were busy trying to keep up!

Corey-Jai said, “ It was my first Christingle, and I was a bit nervous but I enjoyed it.”

Let’s look forward to next years!

*“ Silent Night is
my favourite
carol” said
Isabella*

Sports Clubs

Netball club takes place on a Monday after school, led by Miss Edwards. Anyone in Year 4-6 can join the club— if there are spaces.

(there are limited spaces).

Lucy is captain of the school netball team and Ava is the vice captain.

“ it can be fun to lead the team but we also have to sort out who is playing where and where they are

allowed to play!” says Lucy and Ava, “ It is also good to see how people improve and what position they are best playing in.”

Football club takes place on a Wednesday after school, led by Mr Sayce, Mr Jones. Again there are limited places but anyone in Y3-6 can come along if there is space.

Jaiden is the football captain, “ I really enjoy managing the team-with Mr Sayce’s help of course!” and Alex is the vice-captain. “ Being the vice captain is fun!”

Multi-sports takes place on a Tuesday after school and is run by West Midlands sports— you can come along and join in the fun. We mustn’t forget Dance with Sandra on a Friday after school again anyone from Y1-5 can come along. There are lots of opportunities to stay fit here at St Joseph’s.

WOW assemblies

WOW assemblies take place on a Friday afternoon in school. There are at the end of the day and parents

can come along to watch too. In WOW assemblies the children need to be on their best behavior, which involves, concentrating, listening, putting their hand up and always trying their best.

The teachers choose the children for the wow assembly—

they choose 2 children from their class. Children can be chosen for lots of different reasons including good work, good manners, kindness and helping others.

At the end of the WOW assembly Mrs Bennett takes a picture and this goes on to the school website.

The children get to see any visitors that may have come to their WOW assembly.

'to inspire, to learn to love with God'

The Editorial Team

We hope that you enjoy this edition of the pupil post- don't forget to tell us if you want us to write about anything in particular- drop a note into Year 6 and we may include it in the next newsletter

Christmas Plays

Reception and Nursery's play was called 'Whoops-a-daisy Angel'. There were 2 angels 1 from Nursery and 1 from Reception class. It was about an angel that stood out to everyone because her crown was crooked and her dress was patched so they thought that she wasn't good enough- but she showed them that she could do it well!

Well done to all of Nursery and reception for putting on such a super play!

Year 1 and Year 2 -they put on 'baa, Baa Bethlehem.

All of the children had parts to play and they played them really

well. Some of the children sang solos and they were amazing too!. Lots of parents ,grandparents and visitors came to see the shows- it was lovely to see the hall full and everyone enjoying the play. The children in school enjoyed the dress rehearsal very much.

We wonder what will be chosen for next year?
